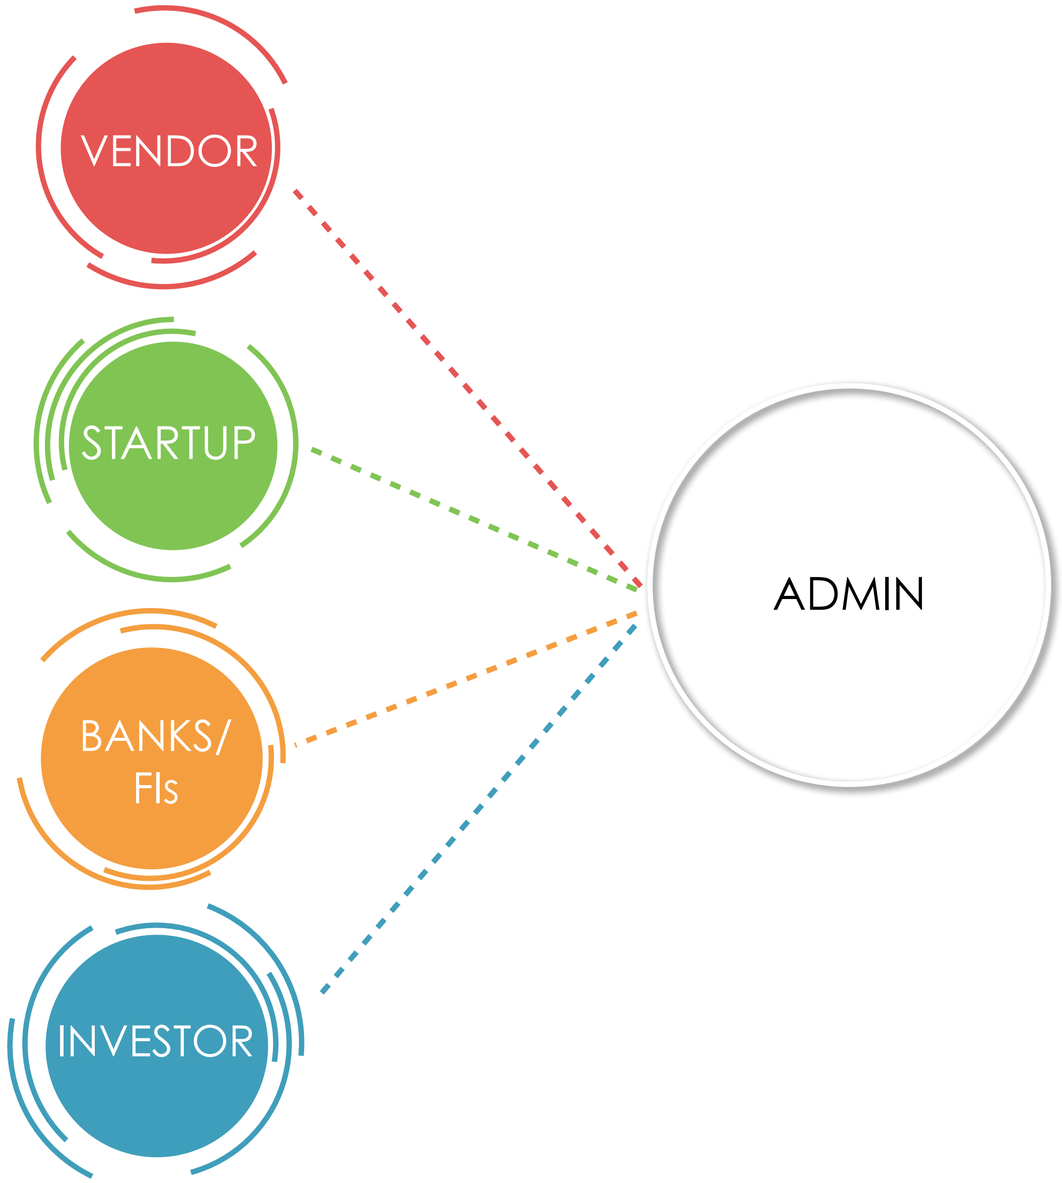
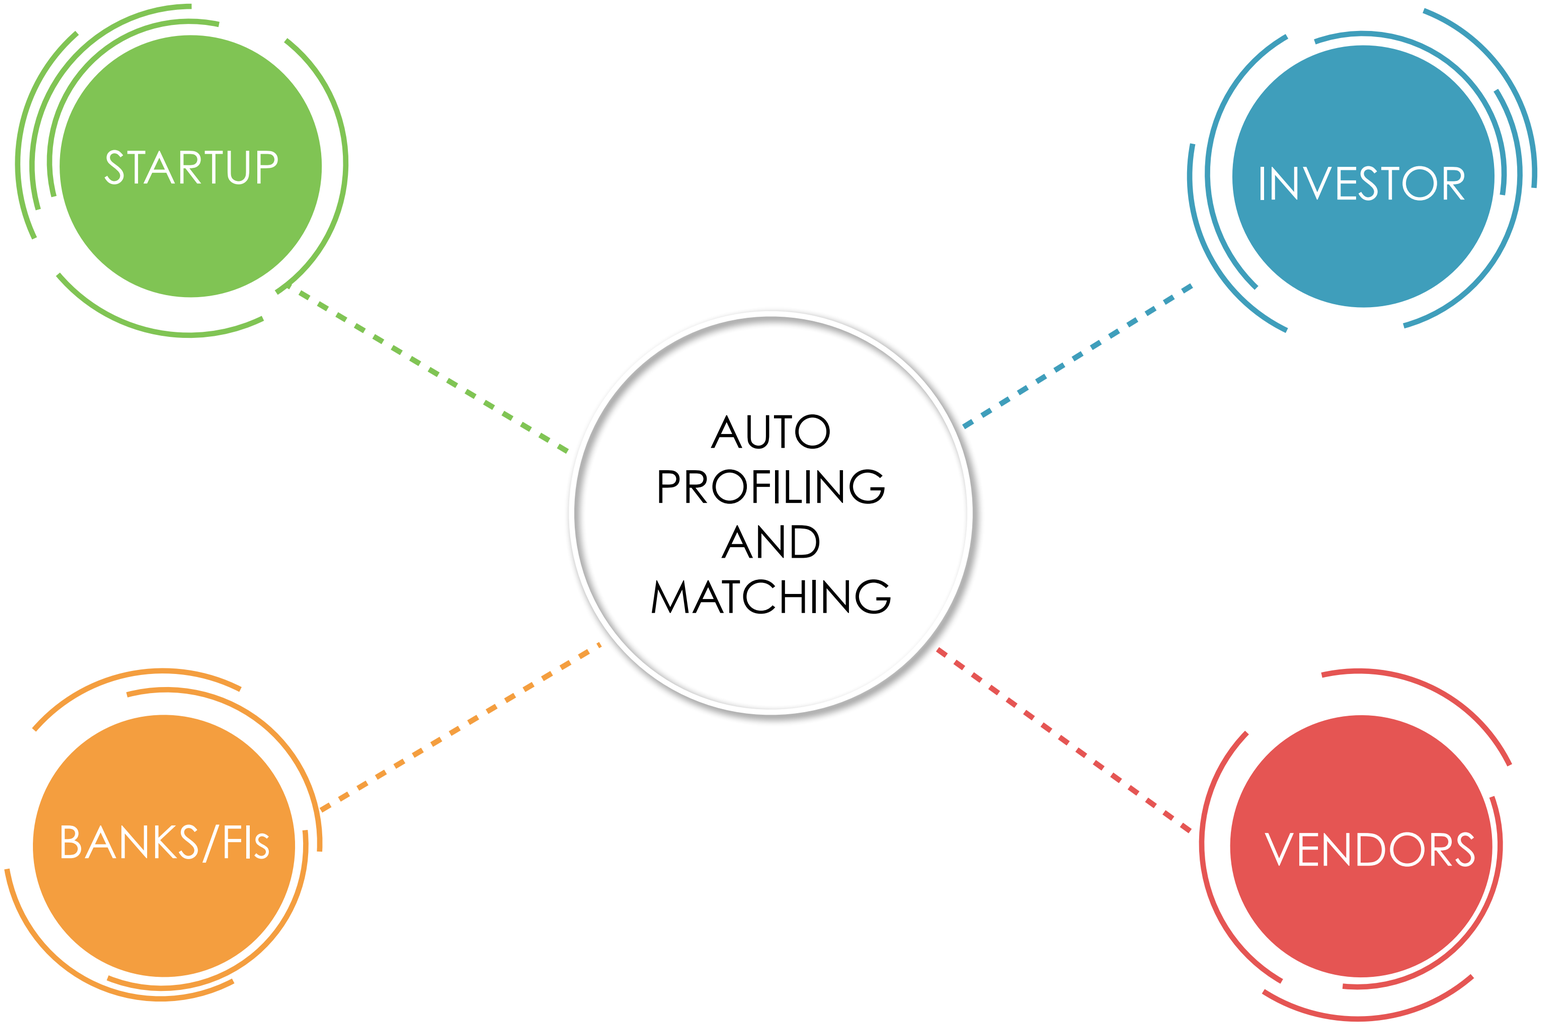
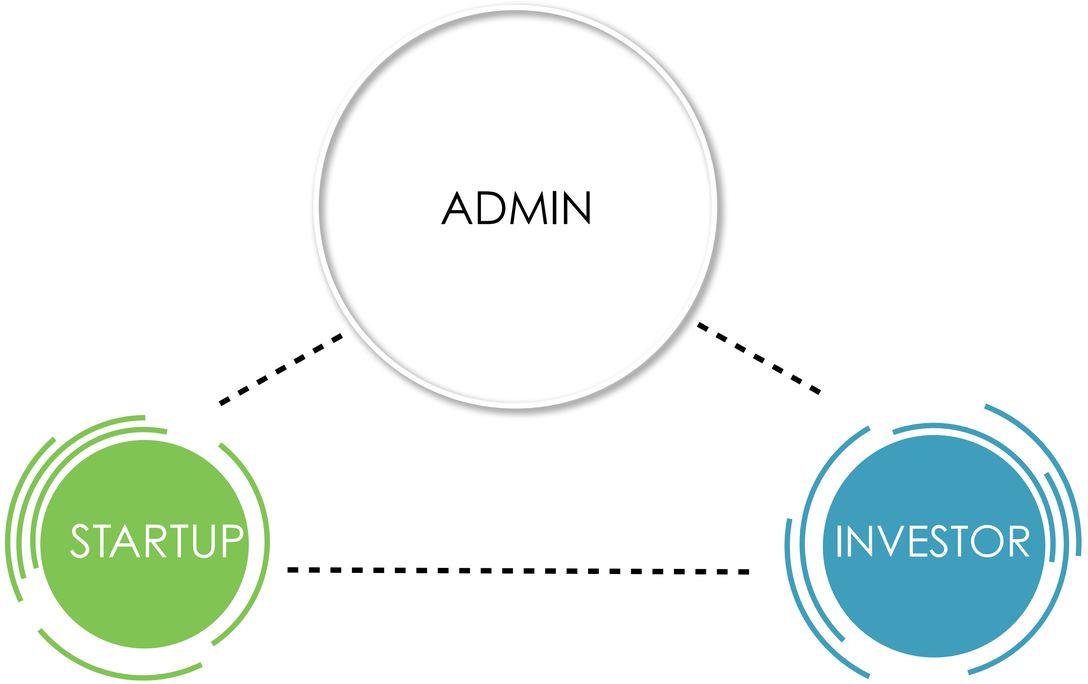
INVESTORS LOGIN



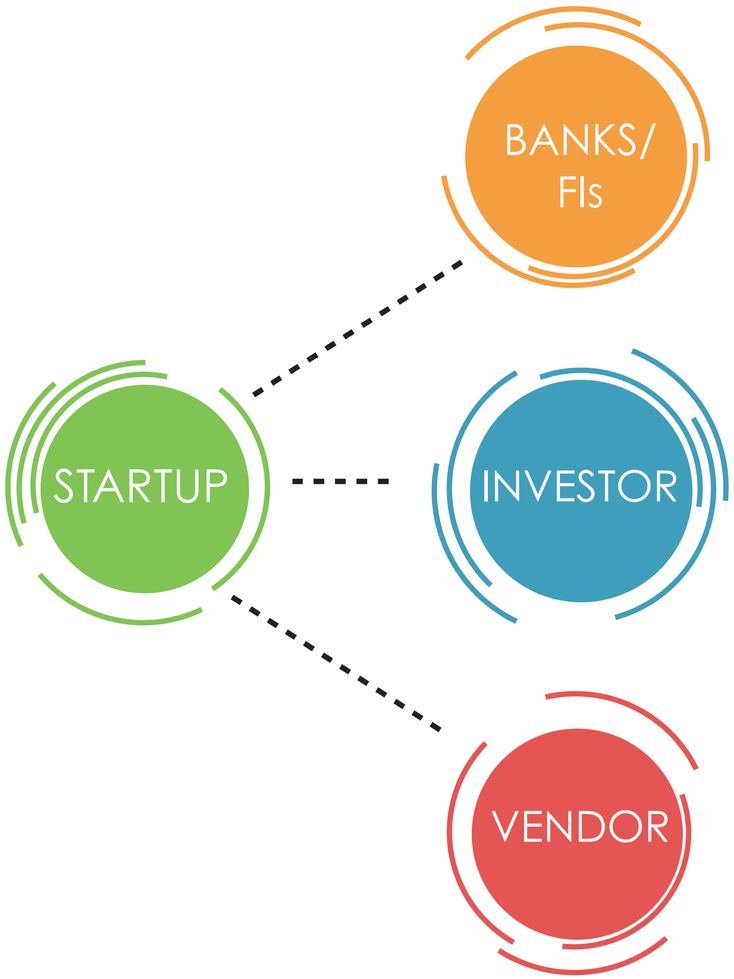
Articul8te is a great utility to provide Banks, Investors and Financiers access to Digital Dataroom

A permission based login access to all the stake holders. The Systems AI receives details of the Startup/ Investor / Vendors or Banks & FI's and matches the profiles on approval of the application





Admin recommends and suggests investors the prospect startup businesses they may match to on the system. While Startups may look at applying for investment for their business.



Startup Interacts with the Investors, Vendors and Banks/ FIs, once Admin approves it. This enables messaging and sharing of documents between them
